

**REMARKS**

Claims 15-18 remain in the application. Claims 1-14 have been cancelled.

In the Advisory Action dated November 13, 2007, the Examiner indicated that the proposed amendments previously filed after the final rejection would not be entered because they raised new issues that would require further consideration and/or search. The Examiner indicated further that claims 4-13 and 15-18 remained rejected. However, the Examiner also stated that newly proposed claims 15-18 would be allowable if submitted in a separate, timely filed amendment cancelling the non-allowable claims.

Therefore, Applicant submits herewith the previously proposed and amended claims 15-18 which the Examiner indicated as being allowable. The non-allowable claims 4-13 have been cancelled.

It is respectfully submitted that this patent application is in condition for allowance, which allowance is respectfully solicited. If the Examiner has any questions regarding this amendment or the patent application, the Examiner is invited to contact the undersigned.
